Dated 7th March 1923.

Chief Secy.
I am leaving Thursday for Cal & Bombay & shall Mysore N. Bombay where I present to me the present. Perhaps

THE KING EDWARD STATUE.

The Hon'ble the Resident proposes to hold a meeting of the King Edward Memorial Fund Committee at the Residency on Wednesday, the 14th March 1923 at 3 P.M. to consider a proposal for the erection of balustrading round King Edward's statue or, in the alternative, the best means of spending the money still available.

I enclose for your information copies of recent correspondence on the subject. I am to ask that you will be so kind as to attend the meeting and to suggest that it would be desirable for you to ask the Chief Engineer to accompany you.

Yours sincerely
Malcolm

D.O.No.48.

Office of the Chief Engineer of Mysore
for Roads and Buildings,
Dated Bangalore, 22nd December 1922.

ERECTION OF BALASTRADING ROUND KING EDWARD'S STATUE
AT BANGALORE.

Dear Murphy,

The Executive Engineer, Bangalore Division, called for tenders at my instance for the above work. The cost of the work with reference to these varies from Rs.24,000/- to Rs.27,000/-. I enclose for your information copy of the Executive Engineer's estimate and the comparative statement giving the particular of the tenders.

You some time ago estimated the cost of the work at Rs.12,000/-. Will you please see if you could get any contractors under you to undertake the work at less rates. Otherwise the design will have to be suitably modified so as to bring down the cost of the work within the amount available with us i.e. about Rs.15,000/- or so.

I shall be glad to have your remarks on the above early. The enclosures may kindly be returned when done with.

Yours sincerely,
Sd. H. D. Rice.

---:0:---

x x x x x x x

President.

Please see Mr. Rice's D.O. letter No.48 (Flag A in file) He says he cannot get the work done under Rs.24,000/-. I have tried to get my contractors to take up the work without success. I would suggest starting work by departmental labour on task work. With the funds at our disposal viz., Rs.15,000/- I can complete the work on the outer circle with the exception of the 8 bases at east west and south entrances. The work on the inner circle and the 8 bases may be taken up later if funds are available and when if this part of the work is left out altogether it will not detract from the appearance of the work as a whole. I discussed this with Mr. Rice this morning and he agrees with me. I could start work almost immediately.

Sd. W. H. Murphy,
21-2-1923.

---:0:---

I

I agree with what Mr. Murphy suggests. But if it is impossible to raise more money taken on to complete any item of the architects design that he is unable to do now with the Rs.15,000/- available, then I suggest, as an alternative that the design round the Queen's statue be followed.

Sd. H. D. Rice,
21-2-1923.

Proceedings of the King Edward Memorial Fund Committee held at the Residency on the 10th April 1928.

---:0:---

A meeting of the King Edward Memorial Fund Committee was held at the Residency on the 10th April 1928 at 5 P.M.

2. **Present.**

1. The Hon'ble Mr. W. F. Barton, C.S.I., C.I.E., I.C.S., Resident in Mysore.
2. A. N. Banerji, Esq., C.B.E., C.I.E., Dewan of Mysore.
3. A. Austin, Esq., I.C.S., Collector, Civil & Military Station, Bangalore.
4. Rao Bahadur S. P. Annaswami Mudaliar, C.I.E.
5. H. E. Rice, Esq., Chief Engineer to the Mysore Government.
6. W. H. Murphy, Esq., M.I.M & Cy. E., Executive Engineer, Civil & Military Station, B'lore.
7. A. N. L. Cater, Esq., I.C.S., Secretary to the Committee.

3. The Secretary stated that the meeting had been convened to consider and decide on the best means of spending the balance of the money available which amounted roughly to Rs.14,500/-. The work still to be carried out consisted in the erection of balustrading round King Edward's statue in accordance with the architect's design.

4. H. E. Rice said that he had called for tenders from contractors and that their estimates varied from Rs.24,000/- to Rs.27,000/-. Mr. Murphy said that he could carry out the complete work departmentally for about Rs.18,000/- but, with the money available, it would be necessary either to use cheaper materials than was intended by the architect, e.g., concrete for cut stone, or else to leave out certain ornamental parts of the design.

5. A general discussion followed, from which it appeared that the sense of the meeting was opposed to the use of [illegible] materials and in favour of omitting the more expensive [illegible] if the complete design could not be carried out. Mr. Austin, however, said that he thought it would be a great pity not to carry out the complete design and suggested that subscriptions might be invited from the public for the small additional sum [illegible]

Contd.

money required. Mr. Barton said that he did not think that such an appeal would meet with much response at the present juncture and the meeting generally agreed with this view.

6. Mr. Banerji then enquired whether, if the Mysore Government contributed Rs.1,500/- of the required amount, Mr. Austin would agree to make a similar contribution from the funds of the Municipal Commission. Mr. Austin demurred to this suggestion and pointed out that the Commission was already pledged to an expenditure of about Rs.2,000/- in setting back the wall of the Telegraph Office compound and other work in connection with the lay out of the statue, and in the present state of their finances he could not ask the Commission for a further contribution of this amount. Mr. Barton then enquired whether it would not be possible to ask the City Municipality for a contribution since the statue was situated very close to, if not within, the City boundary and practically formed part of the Lalbagh Park. Mr. Banerji said that he thought this was a reasonable suggestion and that he was prepared to approach the President. After some further discussion Mr. Austin agreed to contribute Rs.500/- from Municipal Commission funds on the understanding that the Mysore Government contributed Rs.1,000/- and that the City Municipality was asked to contribute the balance of Rs.1,500/-

7. Mr. Murphy was thereupon authorised to put the work in hand forthwith.

for SECRETARY TO THE KING EDWARD MEMORIAL FUND COMMITTEE.

Gwd

Very Urgent.

No. 5037 CB Dt 20/4/23

To

The President, Bangalore City
Municipal Council.

Sir,

I am directed to address you on the subject of the improvements to the surroundings of the King Edward Statue in Cubbon Park. According to the architect's design the work remains to be carried out consists ~~of~~ in the erection of balustrading round the Statue. The cost of carrying out the work is expected to be about Rs.18,000, but the balance of money available with the King Edward Memorial Fund Committee is only Rs.14,500. The Committee has been considering ~~various~~ ways means for raising the required amount and a suggestion has been made that as the Statue is situated very close to, but not within the City boundary and practically forms a part of the Cubbon Park, the Bangalore City Municipal Council might be willing to make a contribution. It is understood that the C.& M. Station Municipal Commission has already pledged to an expenditure of about Rs.2,000 for ~~in~~ setting back the wall of the Telegraph office compound and other work in connection with the lay out of the statue. I am now to enquire whether ~~in case~~ the C.& M. Station Municipal Commission agrees to make a further contribution

the Bangalore Mills will be willing to contribute a sum of Rs 1500 for the work on the understanding that

of Rs.500 and the Mysore Government contributes Rs. 1,000 ~~whether the Bangalore City Municipality will be prepared to contribute~~ the balance of ~~Rs. 1,500~~. I am to request the favour of a very early reply.

I have, etc.,

Chief Secretary to Government.

(2) P.W. file re: Erection of Bahadur Shah and King Edward Statue at Bangalore.

Dear Mr. Krishna Rao,

I send you the enclosed file on the subject of a contribution from the Mysore Government towards the work connected with the King Edward Statue. You will see that the Dewan has ordered on the 9th instant that we may pay Rs.1,500 and close the matter. Will you kindly let me know from what source the money can be found. I find that in a note on the same subject submitted by Mr.Rice, Secretary, Public Works Department, Roads and Buildings, he proposed that the sum required should be provided in the next year's Public Works Department budget and the Dewan approved of it. Mr. Seshachar now suggests that arrangements may be made for providing the contribution in the Civil budget of next year. That file is also sent herewith for reference. It seems to be best that the amount should, if possible, be paid this year so as not to encumber the next year's budget.

Yours sincerely,

Rajakaryaprasakta

"The work remaining to be carried out in connection with the improvements to the surroundings of the King Edward Statue in Cubbon Park, Bangalore; consists in the erection of balustrading round the Statue. The cost of carrying out the work

is expected to be about Rs 18,000 but the balance of money available with the King Edward memorial Fund committee is only Rs 14,500. the question of finding out ways and means for to get the additional sum of Rs 3,500 required to complete the work was considered at a meeting of the Committee held on the 10th April 1923 when the Collector, Chairman pointed out that the Municipal Commissioner agreed to contribute Rs 500 from the funds of the municipal commission, on the understanding that the balance of Rs 2,500 was contributed by the Mysore Govt & the Bangalore city municipality.

The President, Bangalore city municipal Council, who was consulted in the matter, has submitted a copy of the a resolution of the municipal Council dated 28th April 1923 agreeing to contribute a sum of Rs 1,000 from the municipal funds for the purpose. The Govt are pleased to approve of the resolution of the municipal Council and to sanction a grant of Rs 1,500 from the State funds for the completion of the work.

The Comptroller is requested

was already pleased to sanction an expenditure of about Rs 2,000 in setting back the wall of the Telegraph Office Compound & other work in connection with the laying out of the Statue ground
